

Wednesday League specifics:

For Wednesday teams, although an initial roster must be filed, substitutions are allowed. All racers must be eligible and have a current waiver filed. Members of Gunstock's Race Department are not eligible to substitute, and a racer can only run for 1 team in a particular night. A bib can only be assigned to 1 racer per night.

All racers must be 18 years or older and sign the liability waiver *before* racing. Any team that runs an ineligible racer will be disqualified from that particular race, and the bib number may be disqualified for the season. The ineligible individual is disqualified for the season, without a refund.

Finishers are divided into seed groups. There will be a constant number of seed groups for each race series. The number of seed groups will be evaluated depending on the final number of racers. When the number of racers is not evenly divisible by the number of seed groups, the remaining race scores are placed in the last seed.

Running order is 1st come, 1st ski, with no separate 1st and 2nd run lines. Non-scoring fun runs may be available in the last ½ hour of racing, at the discretion of the Race Department staff.
