

Winter 2011/12

Dear Group Coordinator,

It's always time to think SKIING and RIDING! Gunstock Mountain Resort is gearing up for another fantastic winter. Our expanded snowmaking system gave us outstanding skiing and riding last season. And we are continuing to make improvements around the resort to further enhance our guests' visits.

NEW THIS YEAR!! "Midweek Group pricing" Monday through Thursday! That's right... only \$25.00 per person all ages for primetime tickets. AND we have dropped the group size to 12! **This group size is for Monday through Thursday only.** Our weekend pricing starts on Friday and is still the 20 person minimum. This means 20 paid lift tickets, and may not be combined with tubing. Lift tickets will be \$50.00 for adults, \$40.00 for teens, and \$32.00 for child. (If you do not meet the minimum number, regular pricing will apply. No exceptions.)

Booking your 2011/2012 group trip to Gunstock Mountain Resort is easy! Just give us a call or send an email and we'll send you a reservation form. Fill it out and return it and we'll take care of the rest. Our group coordinator will make the process seamless from arrival to departure with everything you will need.
